

Beware of Chicken Little... not the Courtroom!

Poison Conspiracy (P-Con) Tossed out of Allahabad Court!

In November of 2004 someone wasted a lot of laxmi to request the Allahabad high court to:

"...investigat(e) into the suspicious and mysterious death of HDG-ACBSP." This historic event was bellowed far and wide but it all ended with a grand thud heard around the world. "...the case was eventually dropped due to technicalities. Despite vigorous attempts, the Asian team's efforts to bring to life an Indian government investigation failed." -KGBG 118 P-Con fraudsters learned nothing and blamed others for their pathetic incompetence.

Prabhupada Was Poisoned!

Although written as a child's tale, the story of Chicken Little reveals how a clever fox, with a selfish (sinister) agenda, can effectively destroy a whole henhouse (community).

Important Lessons from Chicken Little

More P-Con Toothless Legal Threats... sometime in the future!

"This evidence is being dealt with by legal authorities as we speak. Poisoners beware!"

"Poisoners Beware. How does it feel to have a price on your head?"

- KGBG p745, & POA 21:33

We are coming for you so start sweating." - 2017 ROPP 1:17 "Coming soon... Also a civil legal action against the GBC individually and collectively is inevitable in light of their criminal operations and illegitimate plundering of innocent souls' rights and heritage as given by Srila Prabhupada." - SPTD 7:13

Despite all the legal hyperbole: Nico offers a \$50,000 reward...

"...for information, testimonies or documents that leads to the first felony conviction in a court of law related to Srila Prabhupada's death including conspiracy to murder" -ROPP O:55

This point alone impeaches all the so-called P-Con forensic evidence!

After 20 years, Nico has not succeeded in bribing even one lawyer to plead his fantasy case because a competent attorney does not want to get laughed out of the court room. Knowing this Nico retreats from his own bluff, and takes on the dastardly role of the sly fox in the tale of Chicken Little.

"We are not after court convictions..."

...we should pursue all deserved consequences... in the court of public opinion.

will speak for itself, and the judge and jury is the reader or the public opinion.

New P-Con Strategy!

"In this exercise, this book is the prosecutor, (1) Tamal Krishna Goswami is the defendant, (2) the evidence presented herein

(1) Nico Kuyt is the deranged mind that created the P-Con and wrote all the propaganda promoting it. Now he unilaterally appoints himself to be the prosecutor!

(2) No. TKG was the defendant until he passed away in 2003. Then Bhatki Charu until he departed in 2020. Now it's ISKCON corporation. It changes at whim because the P-Con can't begin to say how the alleged crime was committed. But that is beside the point, it is not about a crime, it is about emotional revenge!

(3) The emotionally wounded will find the contrived P-Con allegations comforting but a junior law student can understand it is all hogwash.

(4) The overwhelming majority of the public rejects the malicious P-Con as a witch hunt contrived by individuals incapable of understanding how to behave like a Vaishnava.

(3) Kill Guru Become Guru / SPTD = Srila Prabhupada Triumphant Departure

POA = Poison Objections Answered / ROPP = Reward On Prabhupada's Poisoners

QUESTION: Why are the people behind the P-Con so disturbed about the comparisons to Chicken Little if there are no comparisons? If those alleging the P-Con are so honorable, why have they been so quick to flood the public with controversial propaganda that has never been properly cross examined? If P-Con evidence is so good why do they introduce issues that have nothing to do with a plot for murder? If the P-Con is a serious allegation, why has the accused defendant changed three times since it was first unleashed on the public?

Based on asking and answering questions to stimulate critical thinking and to draw out ideas and underlying presuppositions.

Based on asking and answering questions to stimulate critical thinking and to draw out ideas and underlying presuppositions.

Based on asking and answering questions to stimulate critical thinking and to draw out ideas and underlying presuppositions.

The strategy begins by planting foolish ideas in the minds of the poorly educated gullible public. Chicken Little then convinces the proletariat that their leaders cannot protect them and their fears are real. The whole community then marches in solidarity right out of the safety of their hen house which is just what the hungry fox was depending on for dinner!

Disney Production of Chicken Little

Click Here to watch 9:55 minute lesson: <http://jagannatha.com/t-com-chicken-little/>

#1 Use of flattery to convince insignificant people they are born leaders.

"Forensic toxicologists have confirmed that the level of cadmium found in Srila Prabhupada's hair constitutes clear indication of deliberate poisoning." -SPTD 14

P-Con propaganda relies on misleading sensational headlines like this one. No professional would dare make such a presumptuous claim without first having additional tests done from several other independent labs, but poorly educated wounded souls blindly accept it!

#2 To influence the masses, aim first for the least intelligent.

"Consider the ...abuse of gurukulis, unnecessary book changes, corporate bureaucracy, apasiddhanta guru/initiation system, hiding of DOM revealed in 1990's, failure to establish Varnashrama Dharma, and the GBC as absolute authorities." -SPTD p659 None of which relate to P-Con!

Here a very wide net is used to attract as many ISKCON-Bashers as possible. It is an emotional rally call for the uninformed and vengeful to join the controversial P-Con fraud, but none of these issues are relevant to proving a murder occurred.

#3 If you tell them a lie don't tell a little one, tell a big one.

The research reported in both the movie and book version of DECEPTION give numerous examples of how the (Non) "Truth Committee" deliberately misleads the gullible reader with clear examples of fabricated statements used to prop up the P-Con.

#4 Use propaganda to undermine the faith of masses in their leaders.

Externally the P-Con postures as a plea for justice, but that ploy is exposed by their reticence for a fair trial. Instead, the language, diematic posturing, legal boasting, and extensive reliance on pseudo-science confirms that the real agenda of the P-Con is to undermine leadership credibility in ISKCON. For some, ANY conflict with the GBC is all they need to join to the lynch mob conclusion that a murder has been committed! The real agenda is to attract the reasoning impaired and uninformed in the vengeful agenda of disrupting ISKCON and Lord Caitanya's movement for no other reason than their own vindictive purposes.

Are not ALL the disciples of Bhaktivedanta Swami entitled to the same legal protection that every citizen in America is promised?

Socratic Method Exposes P-Con Fraud Series:

Based on asking and answering questions to stimulate critical thinking and to draw out ideas and underlying presuppositions.
